WESTERN DISTRICT OF NEW YORK**

**In the Matter of:**

of Documents by Internet

**ADMINISTRATIVE ORDER No. 5**

---

In and by "Administrative Order No. 1," dated May 28, 2003 and effective June 16, 2003, this Court adopted and approved "Administrative Procedures for Filing, Signing and Verifying Pleadings and Papers by Electronic Means," revised December 1, 2003 ("Administrative Procedures"). The Court having determined that it is necessary to substantially reduce the volume of paper filings made with the Court, given the increasing case load and the demonstrated reliability of electronic filing using the Case Management/Electronic Case Files (CM/ECF) System, it is hereby

**ORDERED**, that effective October 1, 2004, the Clerk of Court shall no longer be required to accept for filing any paper submission, except by contrary direction of a Judge of this Court or for papers submitted in connection with *pro bono* services rendered through VLP, NLPS, VLSP or the like.
